Clean culture to be done by Stallion owner's vet at mare owner's expense May submit their own

Brief Write-Up:

Chrome was a 2019 multi-national ^{TOP} champion 10 Champion. His first foal crop was in 2021 and he throws exceptionally beautiful heads with balanced and correct conformation. He is not homozygous but his foal crop was 75% colored last year - despite being bred to two gray mares and two solid colored mares. He ~~has~~ has a lovely disposition which he seems to give his get. He's currently being trained in country driving and has a lovely elevated trot.

Location of Stallion during 2022 breeding season

Manager / owner / agent / lessee
